Annexure

1. Indemnification. To the extent permitted under Indian law and without waiving any defenses including governmental immunity, each party to this MOU agrees to be responsible for its own acts of negligence, which may arise in connection with any all claims for damages, costs and expenses to person or persons and property that may arise out of or be occasioned by this MOU or any of its activities or from any act or omission of any employee or invitee of the parties of this MOU. The provisions in this paragraph are solely for the benefit of the parties to this MOU and are not intended to create or grant any rights, contractually or otherwise to any third party.
2. Term: Subject to prior termination or revocation of this MOU as provided in section 5 of this MOU, the initial term of this MOU is in full force and effect for a period of one (2) years. This MOU begins on the date of signature by both parties and continues through the initial term and any subsequent renewal terms. It may be renewed for (2) two-year terms. At least one hundred twenty (120) days before the expiration of the initial term and any subsequent renewal terms, Siddhant College of Engineering, Pune shall review this MOU and ISC may renew this MOU on approval of Siddhant College of Engineering, Pune.
3. Right of Revocation: Either party may terminate this MOU on 120 days' written notice to the other party. Termination may occur upon the breach of this MOU by one of the parties. A breach of this MOU includes but is not limited to, a violation of the policies and rules of the Siddhant College of Engineering, Pune, the making of misrepresentation or false statements by one of the parties, nonperformance of the party's duties, or the occurrence of a conflict of interest between the parties. Each party has 30 days to cure the breach. If this MOU is terminated during an academic term, students enrolled in classes under this MOU will be allowed to finish their coursework and receive appropriate course credit.

4. Assignment: Neither party may assign their interest in this MOU without the written permission of the other party.

5. Limitations of Authority:

- A. Neither party has authority for or on behalf of the other except as provided in this MOU. No other authority, power, partnerships, use of rights are granted or implied.
- B. This Agreement represents the entire agreement by and between the parties and supersedes all previous letters, understanding or oral agreements between the Siddhant College of Engineering, Pune and ISC. Any representations, promises, or guarantees made but not stated in the body of this Agreement are null and void and of no effect.
- C. Neither party may make, revise, alter or otherwise diverge from the terms, conditions or policies which are subject to this Agreement without a written amendment to this Agreement.
- D. Neither party may incur any debt, obligation, expense, or liability of any kind against the other without the other's express written approval.

6. Waiver: The failure of any party hereto to exercise the rights granted them herein upon the occurrence of any of the contingencies set forth in this Agreement shall not, in any event, constitute a waiver of any such rights upon the occurrence of any such contingencies.

7. Applicable Law: This Agreement and all materials and/or issues collateral thereto shall be governed by the laws of India. In case of an arbitration, jurisdiction will fall under Maharashtra, India. The same shall be applicable to contracts made and performed entirely therein.

8. Venue: Venue to enforce this Agreement shall lie exclusively in India.

9. Miscellaneous Provisions:

- A. Neither party shall have control over the other party with respect to its hours, times, employment, etc. However, Siddhant College of Engineering, Pune's operational hours and calendar shall take precedence. Parties to this MOU shall comply with all National, State, and local laws.
- B. The parties warrant that their mutual obligations shall be performed with due diligence in a safe and professional manner and in compliance with any and all applicable statutes, rules and regulations. Parties to this MOU shall comply with all National, State, and local laws.

This MEMORANDUM OF UNDERSTANDING ("M.O.U" / "Agreement") is made as on the day Monday, 25th April 2022 by and between

Edify Educational Services Pvt Ltd, located at Hitech City, Hyderabad hereafter referred as "EdifyPath" which expression shall unless repugnant to the context or meaning thereof include its successors and assignees.
And

"Siddhant College of Engineering & Diploma" located at Chakan-Talegaon Road, Near Chakan Auto Hub, Sudumbare, Dist. Pune-412109, hereafter referred as "Siddhant COE", which expression unless repugnant to the context or meaning thereof be deemed to include, legal representative, executors, administrators, successors and permitted assigns of the other PART.

Each individually a Party and collectively referred to as Parties.

WHEREAS, the EdifyPath and College have come together to collaborate for up-skilling the students of College under subscription of EdifyPath Certification Program and providing opportunities for Internship and jobs to excellent students.

WHEREAS As of the date hereof both Parties as above have expressed a desire of entering into a Memorandum of Understanding (M.O.U) agreement to meet their respective objectives, which are set out here in below.

NOW, THEREFORE, it is hereby agreed by and between the undersigned Parties as follows:

BACKGROUND OF THE PARTIES

EdifyPath is a global online experiential e-learning platform that is focused on bridging the talent-gap across rising technology demands and helping learners acquire industry-specific skills that make them corporate-ready and ease their transition into the corporate world. EdifyPath offers a range of professional certified courses by various industry experts which are high in demand in the current day job markets. Its association and tie-ups with global industry leaders gives EdifyPath an edge in designing unique content that keeps our learners much ahead in the learning curve. EdifyPath through one of its unique offerings "EdifyTalks" provides unique power clips from industry leaders and senior executives that offer valuable insights for career prospects to its learning community.

Siddhant College is an Education institute that intends to offer its students a globally relevant learning experience, by providing high quality, affordable and accessible education. College through the process of co-creation intends to elevate its students to serve the emerging talent needs of industry.

PURPOSE

The purpose of the collaborative relationship contemplated by this M.O.U is for College to promote a talent pool of young students, while facilitating their upskilling using EdifyPath's Platform (as defined below) and enabling them acquire new and relevant competencies as per the current market requirements and for EdifyPath to nurture the young talent, making the students more employable and industry ready ("Purpose"). For Achieving the Purpose, either parties hereby agree to collaborate with each other and enter into this MOU for non-commercial purposes and further agree that the relationship contemplated by this MOU is non-monetary in nature.

DELIVERABLES:

EdifyPath agrees to provide the following forms of support to the College on a good faith basis:

- a. Provide access to a world of knowledge across rising technology demands and helping its learners acquire industry specific skills
- b. Provide access to Edify Talks to enable learners gain insights from industry leaders and senior executives that will help in getting the bigger picture of various industries and the required competencies (domain, technical, behavioral and communication) to enter and excel in the career.
- c. EdifyPath to extend at a special promotional Price, which shall be applicable exclusively for the College.
- d. EdifyPath to provide services enabling its learners acquire new competencies in accordance with current market requirements anytime, anywhere upon subscription.
- e. EdifyPath to provide opportunities for Internship and placement support for excelling candidates upon successful completion of EdifyPath Certification Program(s).
- f. EdifyPath to conduct Technical workshops for the Students of College.
- g. EdifyPath to provide access to Khelo Application as part of the subscription as per the terms detailed below in this Agreement.

College Deliverables:

College by and through its principals and agents, agrees to provide opportunities to "EdifyPath" and its center of excellences, as appropriate, on a good faith basis.

- a. To promote EdifyPath and EdifyTalks amongst the student community, faculty and staff for skill-development.
- b. To support EdifyPath in to run running awareness campaigns in College premises.
- c. To render any additional support to achieve the deliverables mentioned in this Agreement.

Platform:

EdifyPath will provide College access to its online learning interface where College can access the courses, content, marketing materials that are being offered including a limited period subscription to certain third party applications and materials as a value addition to the products being offered to College.

License Grant

Except for the license and access rights granted in this Agreement, nothing in this Agreement grants any title or ownership interest in or to any Intellectual Property Rights in or relating to, the Platform, marketing materials or third party materials, whether expressly, by implication, estoppel or otherwise. All title and ownership interest in and to the Platform, marketing materials and the third party materials are and will remain with EdifyPath and the respective rights holders in the third party materials.

Khelo College Clad Application:

As part of the offerings and through its collaboration with third parties and as a value addition, EdifyPath will provide a limited period free subscription and access to the Khelo College Clad Application ("Khelo") for the benefit of College for a period of 12 months from the Effective Date ("Initial Period"). Khelo will be a complimentary product offering provided pursuant to this Agreement that either works as an independent application or as an integrated application with the Platform. Khelo is being offered as part of the service offering which can provide for student engagement through knowledge sharing, event hosting, contests, promotional events and sharing of articles, contents among the students etc. Post the expiry of the initial period certain subscription fee might be applicable for continued utilization of Khelo as agreed upon between the College and the applicable third party owners.

Disclaimer of warranties:

Except for the express warranties provided in this Agreement, all applications, the Platform and materials are provided "as is" and EdifyPath hereby disclaims all warranties, whether express, implied, statutory or other, and EdifyPath specifically disclaims all implied warranties of merchantability, fitness for a particular purpose, and all warranties arising from course of dealing, usage or trade practice. Without limiting the foregoing, EdifyPath makes no warranty of any kind that the applications, the platform, materials, or any products or results of the use thereof, will meet College's or any other person's requirements, operate without interruption, achieve any intended result, be compatible or work with any software, system or other services except if and to the extent expressly set forth in the specifications, or be secure, accurate, complete, free of harmful code or error free. All third-party materials are provided "as is" and any representation or warranty of or concerning any third party materials is strictly between College and the third-party owner or distributor of the third-party materials.

Confidentiality:

College will hold in strict confidence the confidential information disclosed by EdifyPath in furtherance of this Agreement. College shall use the confidential information in accordance of the terms and solely for achieving the Purpose of this Agreement. College agrees not to disclose confidential information to any other parties without the prior written consent of EdifyPath. College will exercise at least the same degree of care it uses to protect its own confidential information.

The obligations of confidentiality do not apply to information (i) that becomes publicly available for no fault of the College; (ii) can be demonstrated by written evidence that it was in the possession of the receiving Party prior to receipt from EdifyPath; (iii) independently developed by the Parties without use of information disclosed by the other Party.

Limitation of liability

The Parties shall not be liable for any incidental, special, indirect or consequential damages arising out of or relating to this Agreement.

Intellectual Properties:

College hereby grants EdifyPath a royalty-free, non-exclusive, non-transferable, non-sub licensable, limited term license to use College's marks solely for the purpose of aligning the appearance of its products branding and only as specifically authorized by, and subject to any restrictions stated in, this Agreement. Such license shall be limited to the duration of this Agreement. During the Term of the Agreement, EdifyPath may include College in any of EdifyPath's customer lists and testimonials, solely for the purpose of identifying College as a customer of EdifyPath. EdifyPath acknowledge that the provisions of this paragraph do not convey any right, title or ownership interest in College's marks to EdifyPath. Except for the license and access rights granted under this Agreement nothing in this Agreement grants any title or ownership interest in or to any Intellectual Property Rights of one Party to the other. College hereby unconditionally and irrevocably grants to EdifyPath an unrestricted license to use including all Intellectual Property Rights relating thereto.

Information Sharing:

In connection with this Agreement, either Parties shall during the Term of this Agreement shall provide, accommodate and make available as required access to each other's information (students databases by College and any customer information shared by EdifyPath) and hereby agree to share such information with each other solely for the accomplishment of the Purpose of this Agreement. Either Parties acknowledge and agree not to use, decimate to any third party, share or use such information for any other purposes otherwise than as stated in this Agreement and hereby agree to maintain such information in strictest confidence.

Term of the Agreement
This Agreement shall commence from the (Effective Date above and shall continue to be in force unless terminated by either Parties as per the terms of this Agreement ("Term")

Marketing Collaborations:

Either Parties to this Agreement agree to cooperate with each other in the marketing and promotion of the products and services of the Parties in furtherance of achieving the Purpose of this Agreement. Such cooperation shall include the reasonable provision, at the Party's expense, reasonable participation and assistance, as agreed to by the Parties, with trade shows, conferences, company sales conferences and education seminars etc.

Termination

The engagement contemplated between the Parties under this M.O.U. is at-will. Upon the discretion of the either of the Parties the collaborative relationship under this M.O.U. may be terminated with an advance written notice of 30 days to the other Party. Upon termination of the Agreement for any reason either Parties shall promptly return to the other Party all confidential information of the other Party. Except for the obligations which are logically ought to survive, all other rights and obligations of the Parties under this Agreement shall expire upon termination of this Agreement.

Entire Agreement

This M.O.U. is the final and complete understanding and agreement of the undersigned Parties. No other promises, agreements, nor warranties have been provided. This M.O.U. may only be amended by a written agreement as provided in this M.O.U.

Applicability

Memorandum of Understanding

IBOM - Edunet

MOU - 20/20

This Memorandum of Understanding is entered on 20th January 2022 (Effective Date) by Edunet Foundation having its office at A-11- 1105, Arcadia South City 2, Pune (hereinafter referred to as "Edunet"); and,

Siddhant Group of Institute/Siddhant College of Engineering, Sudumbare, Pune having its address Chakan-Talegaon Road, Near Chakan Auto-Hub, Sudumbare, Dist.Pune-412109 (hereinafter referred to as "Institution").

Whereas, Edunet is a non-profit organization with multiple programs, sponsored by government and corporate entities, that are offered free to learners across the education spectrum, including but not limited to the Tech Saksham Program (www.techsaksham.org) and SkillsBuild (www.skillsbuild.org).

Whereas, Institution is a premier institution with the following details:

Established (year):	2004
Recognition, NAAC rating, ranking:	"B Grade" by NAAC
Vision:	"EMPOWERING THROUGH TECHNICAL ECONOMIC AND SOCIAL DEVELOPMENT."

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by Edunet.

Now therefore, this Memorandum of Understanding (hereinafter called "MOU") witnesses the following.

- 1. Term and termination:** This MOU is valid for an initial term of 5 years from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days' notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.
- 2. Non-binding nature of this MOU:** The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.
- 3. Each Party is responsible for its own costs:** Both the Institution and Edunet will independently manage their cost towards fulfillment of obligations under this MOU.
- 4. Single Point of Contact (SPOC) for program coordination:** Both the Parties shall appoint a suitable person who will serve as a single of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program rollout but all matters related to the execution of this MOU shall reside with the SPOC.
- 5. Society for Inclusive Education (SIE):** This is a student-led initiative managed and supported by Edunet, that seeks to provide ubiquitous high quality learning opportunities to underserved communities through government and private schools/colleges around India. The Institute will set up a chapter of

Society for Inclusive Education on its campus. This chapter will make Edunet programs available to local

Page 3 of 3

underserved institutions and/or student communities through community work, classroom sessions, fund raisers to purchase equipment and free learning platforms. Office bearers will be chosen by the Institute in the first year. They may be either nominated or elected second years. The SIE chapter will have members from within the local student community who are willing contribute some time towards betterment of society. All members of SIE chapter at the institution will be issued with appropriate certification that will help them meet their CAS/Community Work/SUPW requirements.

6. **Program Calendar:** The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.

7. **Responsibilities of Edunet and/or its program sponsors/partners:**

- a. **Orientation sessions:** Edunet will conduct orientation sessions for learners and educators, at a mutually agreed schedule, to onboard them onto the program(s).
- b. **Program materials:** Edunet will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
- c. **Face to face, instructor led sessions:** For learners in the Tech Saksham Program, face to face IIT sessions will be organized on campus and will be delivered by Edunet Trainers to program beneficiaries.
- d. **Online instructor led sessions:** These sessions may take the form of webinars or mentoring workshops or technology bootcamps or innovation camps or career readiness workshops that will seek to assist learners in their career goals. These programs will be organized regular as per a regular calendar, published online and will be conducted by Edunet team members or program sponsors or external stakeholders as appropriate.
- e. **Interaction with industry experts:** Edunet will bring industry experts to the Institute to drive engagements with students through seminars/webinars or project mentorship.
- f. **Online platform availability:** Online platforms for each of the programs of interest to the institution will be made available to it. Links for these platforms will be made available to the institution in a timely manner.
- g. **Assessments:** Edunet will conduct assessments, as required, for its programs prior to certification by Edunet and/or its industry partners and/or participating government agencies.
- h. **For programs with career paths:** Edunet will provide linkages with local and regional industry, government and the local start-up ecosystem (incubators etc) that will help learners with gainful employment and/or entrepreneurial opportunities. Interactions will be encouraged in terms of classrooms sessions, workshops, internship opportunities, career opportunities and entrepreneurship opportunities.
- i. **SIE support:** Edunet will support the SIE chapter in the Institute with all support required. A separate program manual and guidelines will be sent to the SPOC.
- j. **Updates:** Edunet will keep institution management updated with the progress of the program(s).

B. **Responsibilities of institution:**

- a. **Learner identification:** Institute will identify learners, volunteers and instructors who may participate in one or more programs offered by Edunet.
- b. **Support with orientation sessions:** Institute will support Edunet conduct orientation sessions for all stakeholders.
- c. **Publication of program calendars and goals:** Institute will publish, on a quarterly basis, a program calendar for all its participants.
- d. **Support with computers labs and classrooms:** Institute will make its labs available to learners. It

will make classrooms and/or audio-visual equipment available for face to face sessions, whenever required.

e. Support with attendance: Institute will ensure that program participants enthusiastically

Page 2 of 3

participate in chosen programs; with minimum attendance as agreed between the Parties. f. Support with assessments: Institute will ensure that assessments carried onsite are proctored and professionally managed.

g. SIE chapter: The Institute will support the SIE chapter, led by its students, to the extent possible.

h. No fees: Institute will not charge any extra fees from learners for participation in Edunet programs.

IN WITNESS WHEREOF, the parties hereto have executed this MOU on the Effective Date

Dear Dr. Bjendra Gupta

Hope all is well

It is my pleasure to work with you regarding the opportunity to collaborate with you and your colleagues and launch the EXPERTEZE projects with your college. It is very exciting for us to realize that both our organizations share the passion for creating a conducive environment for our young generation of students to learn and grow in the cutting edge of biotechnology and related areas, and help prepare the next generation to become proficient and capable in these emerging areas of technologies. It is our pleasure to play a part in this endeavor and help create collaboration opportunities with you for our students to engage and learn from researchers and scientists from industry and research institutions to bridge this important gap. We really appreciate the support and enthusiasm of your college administrators, staff and students in making this effort a reality and hope this effort will grow and take root in other organizations in India, USA and rest of the world.

I am pleased to formally invite your college to be our partner in this effort. Per my conversation with you, I have attached a draft MOU for your review and concurrence, and am looking forward to our continued discussion and effort to define and implement this worthwhile effort and benefit the students.

Sincerely,

Dr. Mchan Venkataramana

EXPERTEZE

Memorandum of Understanding

This Memorandum of Understanding (MOU) is entered into on the date indicated below, by and between:

EXPERTEZE, a 501(c)(3) non-profit organization, located at Cambridge, Massachusetts USA 02139, (hereinafter referred to as "EXPERTEZE"), and **Siddhant College of Engineering, Vadavre, Pune, Maharashtra, India 412109** (hereinafter referred to as "EDUCATIONAL INSTITUTION"). Both organizations will hereinafter be referred to as "PARTIES".

1. PURPOSE:

1.1 The Parties recognize the benefits to be derived from collaboration, cooperation and mutual interaction for the development and promotion of joint activities to address issues of mutual interest, designed to foster and promote collaboration and undertake research activities.

1.2 This MOU sets forth the intentions of the Parties for increased collaboration, cooperation and interaction between themselves and does not create any legally binding commitments. Whenever the Parties agree to undertake specific joint Projects with legally binding operations, they will develop separate written agreement for such Projects setting out each Party's roles, responsibilities, funding, contribution, deliverables and budgets.

1.3 The purpose this MOU is to create a collaborative academic environment and framework between the EDUCATIONAL INSTITUTION and EXPERTEZE for training students in the areas of bioinformatics, computational biology, genomics and systems biology and related areas (hereinafter referred to as "RESEARCH AREAS"), and provide opportunities for the students and participating staff to develop research skills and conduct independent projects of relevance to industrial research and development (hereinafter referred to "EXPERTEZE PROJECTS"), as defined in the following section ("Statement of Mutual Interests and Benefits").

2. DEFINITIONS:

2.1 EXPERTEZE: The line of business established by HEALTH INNOVATORS, a 501(c)(3) non-profit organization, incorporated in Massachusetts USA, and located at Cambridge Massachusetts USA 02139;

2.2 EDUCATIONAL INSTITUTION: The academic institution participating in collaboration with EXPERTEZE to develop, implement and conduct the program for the benefit of the students consistent with the academic goals of the institution;

2.3 RESEARCH AREAS: bioinformatics, computational biology, genomics and systems biology, artificial intelligence, machine learning, big data and related areas (as described in the website www.experteze.org) as well as other academic disciplines as deemed appropriate by EXPERTEZE;

2.4 RESEARCH ORGANIZATIONS: public and private industrial research and development organizations engaged in research activities with EXPERTEZE. These organizations sponsor projects which are assigned to the students and student teams for performance at the EDUCATIONAL INSTITUTION;

2.5 EXPERTEZE PROJECTS: independent projects of students associated with RESEARCH ORGANIZATIONS and academic students of the EDUCATIONAL INSTITUTION.

2.6 EXPERTEZE SCHOLARS, EXPERTEZE FELLOWS and EXPERTEZE RESEARCHERS: students and Staff participating in the EXPERTEZE projects

2.7 EXPERTEZE CIRCLES OF EXCELLENCE: invitation-only programs to facilitate collaboration and networking between students and researchers in targeted areas of research and learning.

In consideration of the above premises, the parties agree as follows:

3. STATEMENT OF MUTUAL INTERESTS AND BENEFITS:

3.1 EXPERTEZE is dedicated, in collaboration with academic institutions around the world as well as public and private research institutions and laboratories, to creating, facilitating and promoting a scientific research oriented environment by which the students can train and learn complex scientific concepts in the RESEARCH AREAS, develop expertise in designing and conducting independent and group-oriented projects in these and related disciplines; learn the basics of these areas of science and technology with focus on learning the underlying concepts and paradigms; design and execute laboratory studies that validate and extend published research; papers and articles published in peer-reviewed journals, and learn the skills necessary to read, understand, and validate the published results by independent laboratory effort; learn, understand and implement computer algorithms and become familiar with the tools, databases and other research artifacts pertaining to the study of the RESEARCH AREAS; learn the processes and procedures involved in collaborative research; learn the mechanisms and processes of research being conducted at world class organizations and industrial research laboratories (hereinafter referred to as "RESEARCH ORGANIZATIONS"), and learn to interface and communicate with peers, scientists and mentors in industry; and to develop mastery of these subjects and develop a passion for independent research in the RESEARCH AREAS, as well as related cutting-edge science and technology. EDUCATIONAL INSTITUTION is an academic institution dedicating to fostering an effective learning environment and creating opportunities for diverse populations of young students in areas of limited resources and instilling in them a passion for learning and growth. Both EXPERTEZE and EDUCATIONAL INSTITUTION together believe that by opening up the opportunities and guiding the students who are constrained by lack of conducive environment and resources, we can grow the next generation ready for the technological and social challenges faced by future generations, and level the playing field. Both organizations are committed to making effort and taking positive and proactive activities to create such a conducive environment and make a difference.

4. INTENT:

4.1 The intent of this MOU is to outline the activities and commitments by EXPERTEZE and EDUCATIONAL INSTITUTION to promote the goals outlined in the previous section ("Purpose"), and to define the steps to help each other accomplish mutually beneficial objectives. The students participating in the EXPERTEZE projects will be called EXPERTEZE SCHOLARS.

5. EXPERTEZE shall:

1. Create a framework for establishing channels of research in the RESEARCH AREAS;
2. Provide resources and external relationships and intangible support, to EDUCATIONAL INSTITUTION to implement such channels of research at the college;
3. Provide resources, mentorship, feedback support from RESEARCH ORGANIZATIONS to the student teams engaged in EXPERTEZE PROJECTS as appropriate;
4. Make available academic materials and other mentoring support to facilitate the creation of favorable environment for conducting research and learning in the RESEARCH AREAS.

5. Establish channels of communication and interfaces to enable students to engage with external (public and private) and central research organizations currently performing activities in the RESEARCH AREAS.
6. Design, suggest, propose, plan and oversee relevant topics of research in the RESEARCH AREAS of current interest to these RESEARCH ORGANIZATIONS.
7. Provide the point of contact for interfacing between the industrial research organizations and EDUCATIONAL INSTITUTION.
8. Obtain and make available the funds to the EDUCATIONAL INSTITUTION as appropriate for the conduct of EXPERTEZE PROJECTS, and otherwise manage the financial transactions relating to the conduct of the independent projects undertaken as part of this initiative.
9. In the intent of EXPERTEZE to provide EXPERTEZE SCHOLARs appropriate financial support while working on EXPERTEZE PROJECTS, as well as appropriate Certificates of Merit, monetary awards and other recognitions of excellence to motivate them in this endeavor.

6. EDUCATIONAL INSTITUTION shall:

1. Create an academic environment to facilitate formation and performance of EXPERTEZE PROJECTS by participating EXPERTEZE SCHOLARs at the campus;
2. Provide logistical and organizational support to EXPERTEZE to make this effort a reality and successful, including making available resources for ongoing consultation and collaboration with EXPERTEZE and RESEARCH ORGANIZATIONS.
3. Create structures and make available facilities for the conduct of EXPERTEZE PROJECTS by EXPERTEZE SCHOLARs at the campus facilities, including laboratory (e.g. "wet labs"), computer facilities, library facilities, as well as facilities for field work outside campus as appropriate.
4. Provide facilities for the establishment of an EXPERTEZE Office as a resource to students on campus for obtaining ongoing information about EXPERTEZE and conduct of EXPERTEZE related administrative activities within the campus;
5. Provide logistical, tangible and intangible resources (including faculty, post-doctoral and post graduate student support) for mentorship to the EXPERTEZE SCHOLARs engaged in EXPERTEZE PROJECTS;
6. Provide necessary support and guidance such as time for conducting research and balancing the needs of the students between conducting independent research and other academic responsibilities;
7. Collaborate with EXPERTEZE organization as needed in the smooth and focused conduct of the relationship to accomplish mutual goals, including periodic evaluation and assessment of the program effectiveness, financial matters and development of appropriate reward schemes;
8. Collaborate with EXPERTEZE and provide support for promoting and creating a positive impression and visibility to the public, as well as support the effort towards extension of the program to other organizations in India and around the world, and to facilitate interactions and engagement of EXPERTEZE SCHOLARs with others in other participating organizations;
9. Create appropriate training and initiation programs (including classes, demonstration sessions and coaching sessions) for students to become familiar and proficient with the processes and steps necessary to engage in EXPERTEZE related activities, as well as provide resources to help select the appropriate students to the teams based on the criteria defined by EXPERTEZE AND EDUCATIONAL INSTITUTION in consultation with each other.

7. DURATION OF MOU AND TERMINATION:

7.1 The terms of this MOU will begin when both parties have signed the document and will continue indefinitely, until terminated by either party by giving a written statement to that effect to the other party. Upon termination, both parties will ensure that the termination of this agreement is properly disseminated to the third parties, without cause, and refrain from any activity that would

**Siddhant College of Engineering, Pune
AND
STEP**

This Memorandum of Understanding (hereinafter referred to as the "MOU") is made and entered on this 01/07/23 (hereinafter referred to as the "Effective Date") by and between:

M. Nishi Maheshwari (Director) of STEP Mentors Private Limited, with its registered office at 103, Chiranjiv Tower, 43, Nehru Place, New Delhi 110019 India, (hereinafter referred to as "Party A"), and

Principal (Principal) of Siddhant College of Engineering, Pune with its registered office at Talegaon, Taluk: Ra. Sulejgaon, Maharashtra 412109, hereinafter referred to as "Party B").

Parties may be referred to individually as "Party" and collectively as "Parties".

Recitals

WHEREAS, Party A is an EdTech Platform engaged in the business of building networking connections among international universities and Indian Institutes of higher education;

WHEREAS, Party A is an official representative of a number of international universities in India;

WHEREAS, Party A has developed a mobile application (hereinafter referred to as the "STEP Mentors App" or the "App") that delivers online educational sessions by prominent academics from universities highlighting advancements in research or development in a topic of general interest (hereinafter referred to as the "STEP Masterclass" or "Masterclass");

WHEREAS, the main objective of Party A in developing the App is to give Indian students reliable knowledge about a topic of study that would also help them in choosing a career;

WHEREAS, Party B is a recognised college (Siddhant College of Engineering, Pune) Affiliated to Savitribai Phule Pune University, offering undergraduate/ postgraduate/ professional degree programs to their students);

WHEREAS, Party A has approached Party B to make the App available to Party B's students to allow them to access the Masterclasses available on the iSTEP Mentors App.

WHEREAS, Party B agrees to conduct the Masterclasses for its students by making the App available to its students.

Now, therefore, the Parties agree to the following terms and conditions:

1 Purpose and Objectives: The purpose of this MOU is to outline the terms and conditions under which students studying with Party B (the "Students") can access a range of Masterclasses available on the iSTEP Mentors App developed by Party A. After the Masterclass, the Students will have the opportunity to attempt an assessment test. Students who successfully complete the assessment will be eligible for a jointly issued digital certificate free of cost.

2 Roles & Responsibilities: To achieve the Purpose and Objectives mutually agreed upon above, the Parties agree to undertake the following:

1. Party A will ensure that a number of Masterclasses from across domains such as science, technology, management and business are available for Students on the iSTEP platform.

2. Party A will ensure that Party B's designated personnel are provided training on the usage, features & functionalities of the App, including how to schedule a Masterclass and how to share the Masterclass link with their Students.

3. Party A will offer technical support for all scheduled Masterclasses as required.

4. Party A will extend invitations to Party B for all upcoming Educator's events being organised in collaboration with international universities.

5. Party B will ensure that its teachers, counsellors and other designated employees will undergo the training organised by Party A & understand the usage of the App.

6. Party B will not charge Students for attending any MasterClasses on the App.

7. Party B will refrain from using logos of the universities for any purpose.

8. Party B will only use the approved posters and marketing material available on the App to promote any Masterclass scheduled by them.

The Parties agree to uphold their Roles and Responsibilities in good faith to the extent possible. The Parties agree to collaborate and communicate on a regular basis to ensure the smooth conduct of the Masterclasses for Students.

3. Scope: Upon signing this MOU, Party B faculty members will gain access to the iSTEP Mentors App, allowing them to schedule and share relevant Masterclasses for their students free of cost, as many times as required. Party B students can attend these Masterclasses and participate in assessments, receiving digital certificates at no charge.

4. Duration: This MOU remains valid for a duration of three year from the signing date. Either party can terminate it with one month's written notice to the other Party, ensuring minimal disruption to registered students for upcoming Masterclasses already scheduled by Party B.

5. Resources: Each Party agrees to assign the required level of human resources to ensure smooth scheduling, planning & conduct of the Masterclasses for Students. Each Party will assign a single point of contact to coordinate with the other Party on matters related to Masterclasses.

6. Amendments: Any changes to the MOU can only be made with the express written consent of both parties. The parties agree to engage in good faith negotiations before making any changes to the MOU. Any changes as mutually agreed by the parties must be made in writing and signed by both parties to be effective.

7. Confidentiality: The parties agree that without the prior written consent of the other Party, which may be withheld in such Party's sole discretion, neither Party shall disclose any provision of the MOU to any third party (subject to the other terms set forth herein).

Each Party agrees that the terms and conditions of this MOU will be treated as the other Party's Confidential Information and that no reference to the terms and conditions of this Agreement or activities pertaining thereto may be made in any formal a press release or public statement without first consulting with the other Party; provided, however, that each Party may disclose the terms and conditions of this Agreement to law enforcement authorities as may be required by law, or in confidence, in connection with the enforcement of this Agreement or rights under this Agreement to their respective employees.

Party A agrees that any information and data regarding Party B's students that may be uploaded on the App is to be treated as confidential and will not be disclosed to any unrelated third party, except that the information and data regarding Students registering for and attending a Masterclass by a particular University may be shared with that University for their reports, issuance of certificates and other related purposes.

Party B agrees that the iSTEP Mentors App and the Masterclasses available on the App are proprietary and their copyrights rest with the respective owners, which may be Party A or the universities.

8. Dispute Resolution: All disputes arising out of or relating to the provisions of this MOU will be amicably settled and resolved by the Parties through discussions and negotiations. If the parties are unable to reach an amicable settlement to a dispute, they may appoint a mutually acceptable mediator to resolve the dispute. If a dispute is unresolved even after mediation, the parties may decide to terminate the MOU as per the terms outlined in this MOU.

9. Governing Law & Jurisdiction: This MOU will be governed by the laws of India, and courts in Delhi will have full and complete jurisdiction in the matters pertaining to the MOU.

10. Communication: Both parties agree that email will be a convenient and acceptable form of communication while operationalising the matters contained in this MOU. The first point of contact for each Party regarding all such email communications is as follows:

Party A - Point of Contact: Nikhil Malhotra

Memorandum of Understanding

This Memorandum of Understanding (MOU) is entered into on the date indicated below, by and between:

SKILLMART, a Pune based Educational Company
4th

Sachant College of Engineering, Sadanare, Pune, Maharashtra, India 412109
hereinafter referred to as **EDUCATIONAL INSTITUTION** ; Both organizations will hereinafter be referred to as **PARTIES**.

1. PURPOSE

- 1.1 The Parties recognize the benefits to be derived from collaboration, cooperation and mutual interaction for the development and promotion of joint activities to address issues of mutual interest, designed to foster and promote collaboration and undertake research activities.
- 1.2 This MOU sets forth the intentions of the Parties for increased collaboration, cooperation and interaction between themselves and does not create any legally binding commitments. Whenever the Parties agree to undertake specific joint Projects with legally binding operations, they will develop separate written agreements for such Projects setting out each Party's roles, responsibilities, funding, contribution, deliverables, and budgets.
- 1.3 The purpose of this MOU is to create a collaborative academic environment and framework between the EDUCATIONAL INSTITUTION and SKILLMART for training students in the technical and non-technical fields and provide opportunities for the students and participating staff to develop industrial skills as defined in the following section ("Statement of Mutual Interests and Benefits").

2. DEFINITIONS:

- 2.1. **SKILLMART**: It is an organization that aims at providing practical training to the students, which will benefit them in attaining success after their education. The company focuses on soft skills such as communication skills, personality traits, and social intelligence.
- 2.2. **EDUCATIONAL INSTITUTION**: The academic institution participating in collaboration with SKILLMART to develop, implement and conduct the program for the benefit of the students consistent with the academic goals of the institution.
- 2.3. **SKILLMART TRAINING PROGRAMMES**: Job-oriented intensive online training programmes intended at developing technical as well as social skills of students to prepare them for job interviews and corporate workplaces.

In consideration of the above premises, the parties agree as follows:

3. STATEMENT OF MUTUAL INTERESTS AND BENEFITS:

- 3.1. SKILLMART is dedicated, in collaboration with academic institutions around the world to creating, facilitating, and promoting the exchange of ideas. Its aim is to develop social and communication skills in the younger generation; to familiarize the younger audience with the basics of finance and management; to learn, understand and implement computer algorithms and become familiar with the tools; to lead a generation to achieve success through proven personality development tactics and engage in the community as a respectable member of society.
- 3.2. EDUCATIONAL INSTITUTION is an academic institution dedicated to fostering an effective learning environment and creating opportunities for diverse populations of young students in areas of limited resources and instilling in them a passion for learning and growth. Both SKILLMART and EDUCATIONAL INSTITUTION together believe that by opening up the opportunities and guiding the students who are constrained by lack of conducive environment and resources, we can grow the next generation ready for the technological and social challenges faced by future generations, and level the playing field. Both organizations are committed to making effort and taking positive and proactive activities to create such a conducive environment and make a difference.

4. INTENT:

The intent of this MOU is to outline the activities and commitments by SKILLMART and EDUCATIONAL INSTITUTION to promote the goals outlined in the previous section ("Purpose"), and to define the steps to help each other accomplish mutually beneficial objectives. The students participating in the SKILLMART projects will be called SKILLMART SCHOLARS.

4.1. SKILLMART shall:

- 4.1.1. Create a course aimed at students developing their technical and non-technical skills.
- 4.1.2. Improve students programming logic and provide them mentorship for their interest area.
- 4.1.3. Develop a soft skills program aimed at enhancing communication skills, personality development, and people skills of students for easing placement of students at reputable institutions.
- 4.1.4. Make available academic materials and other mentoring support to facilitate the creation of a favorable environment for learning these skills.
- 4.1.5. Establish channels of communication and interfaces to enable students to engage with external (public and private) organizations providing jobs after graduation.
- 4.1.6. Provide the point of contact for interfacing between the companies and students of EDUCATIONAL INSTITUTION;

4.2. EDUCATIONAL INSTITUTION shall:

- 4.2.1 Create an academic environment to facilitate the formation and performance of SKILLMART TRAINING PROGRAMME
- 4.2.2 Provide logistical and organizational support to SKILLMART to make this effort a reality and successful, including making available resources for ongoing consultation and collaboration with SKILLMART and other institutions
- 4.2.3 Create structures and make available facilities for the conduct of SKILLMART TRAINING PROGRAMMES at the campus facilities, including, computer facilities, library facilities, as well as facilities for fieldwork outside the campus as appropriate.
- 4.2.4 Provide facilities for the establishment of a SKILLMART Office as a resource to students on campus for obtaining ongoing information about SKILLMART and conduct of SKILLMART related administrative activities within the campus.
- 4.2.5 Provide necessary support and guidance such as time for SKILLMART TRAINING PROGRAMME and balancing the needs of the students between conducting independent research and other academic responsibilities.
- 4.2.6 Collaborate with SKILLMART organization as needed in the smooth and focused conduct of the relationship to accomplish mutual goals, including periodic evaluation and assessment of the program effectiveness, financial matters and development of appropriate reward schemes;
- 4.2.7 Collaborate with SKILLMART and provide support for promoting and creating a positive impression and visibility to the public, as well as support the effort towards extension of the program to other organizations in India and around the world.

5. DURATION OF MOU AND TERMINATION:

- 5.1 The terms of this MOU will begin when both parties have signed the document and will continue indefinitely until terminated by either party by giving a written statement to that effect to the other party. Upon termination, both parties will ensure that the termination of this agreement is properly disseminated to the third parties, without cause, and refrain from any activity that would imply such association as continuing thenceforth. Upon termination of the MOU, both parties will identify any areas of mutual concern (including but not limited to Intellectual Property, etc.) and work to find a common and mutually beneficial resolution.

6. INTELLECTUAL PROPERTY:

- 6.1 SKILLMART shall be creating a programme for the development of soft skills and technical skills of the students; but the techniques and methods used by SKILLMART will not be available for use by the EDUCATIONAL INSTITUTION. The teachers or the students can not reveal the contents and the nature of the programme to outsiders, including competitors.

6.2 SKILLMART will be given credit for placement for students who have completed the SKILLMART TRAINING PROGRAMME. The EDUCATIONAL INSTITUTION will not take full credit for the same. SKILLMART will be allowed to use the name of the participating students in advertisements.

6.3 Both parties shall be bound by the contents of this MOU. Any changes must be agreed in writing.
