Dear Sir/Madam,

Greetings!

We hope you will find this in your interest, we **Hi-Tech Skills** are running a campaign for UG and PG students from IT background, in this concern, we are organising a free Webinar/Seminar for students in college campuses - "**Career Guidance Seminar and Quiz Competition for Graduate and Postgraduate IT Students**".

We, **Hi-Tech Skills** is **ISO:9001:2015 certified, Pune-based IT Company**. We believe in strengthening the network of skilled resources to help aspirants for their career growth and strengthen business connections. We know networking is about sharing and caring not just about talking. Society and each individual can get benefits by networking to upgrade their lives. We can get fresh ideas, knowledge, skills, and career advice to build your career. Also, students can raise their profile and advance their careers through better job opportunities from these network connections.

We provide high-tech services with a skilled network for the development of customized software, web applications, Website designs, and Corporate Training Services. We are here to provide high-tech solutions for the growth of business and provide automation services to help to reach your customer in this era of the digital world. **We provide all high-tech digital solutions for business including software development services, the entire web-related services like web designing, Development, Digital Marketing, and SEO services.**

Now, there is a huge requirement for skilled IT professionals in the IT Sector. But due to the unavailability of skilled human resources, lots of posts are vacant in the IT Industry. We want to take this opportunity to empower the young generation with Hi-Tech Skills to grab the best opportunities in the IT Sector. **We are writing this email to inform you that, we are providing high quality, and job-oriented Live Project Training through highly experienced industry experts as per industry requirements for the students appearing in the Final Semester / Freshers pass out of the Undergraduate or Postgraduate Degree Programs like - BE, BTech, BCA, BCS, BBA-IT, ME, MTech, MCA, MCS, MBA-IT, etc.**

We would like to take the opportunity to conduct the event "**Career Guidance Seminar and Quiz Competition for IT Students**" in your campus, this is totally free of cost for students and institute. We are delivering seminars for IT/CS Graduate and Post Graduate students on the topic - "**Current and Future Job Opportunities and required Hot IT Skills in the IT Industry**". We have eminent speakers for this event, IT-Industry Expert and Motivational speaker. Before starting the Seminar we have planned **short quizzes of 20 mins for students** on the basics concepts of Programming and Databases, to just make them active on the topic of the seminar. Also, we are appreciating the **top three students with rewards**, and we provide attendance certificates for the seminar and quiz (soft copy) to all students attending this event. **The online Webinar is scheduled for a total 1 Hrs. and 15 Mins. We would appreciate delivering this event in offline mode as a seminar if the current situation permits, ensuring required measures of the Covid19. The Seminar is scheduled for about 2 Hrs and 30 Mins.** We are sure that this event would motivate students. Because, now students are waiting for such kind of on-campus events. We assure you that this event will be 100% successful and students will get positive inputs for their career path.

We are willing to arrange the Webinar on following date-

Date - 8th February 2022

Time - 11am-12:30pm

Waiting for your approval to conduct the event.

Thank you again!

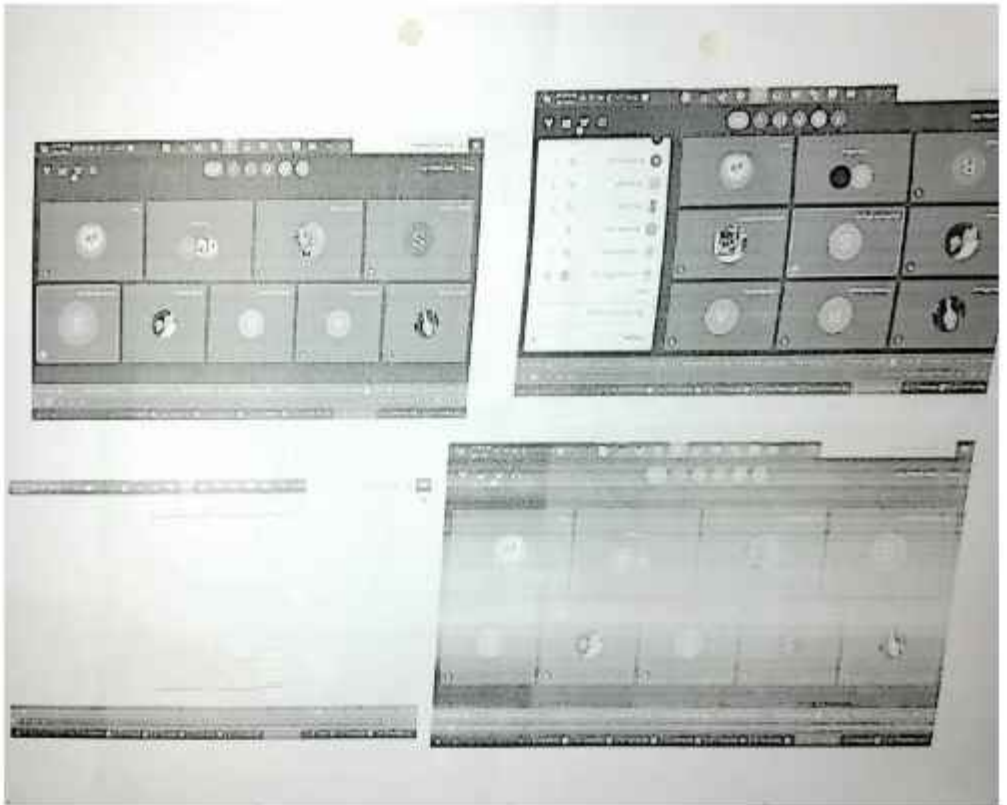

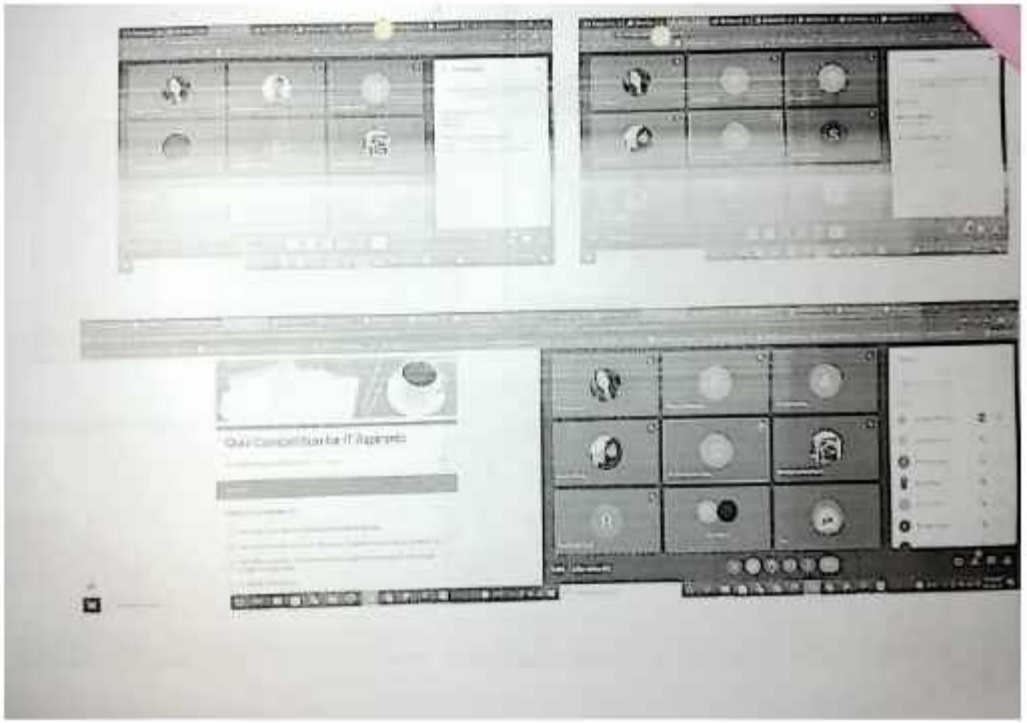

We would be glad to get your referenced institutes/ colleges contacts for this event.

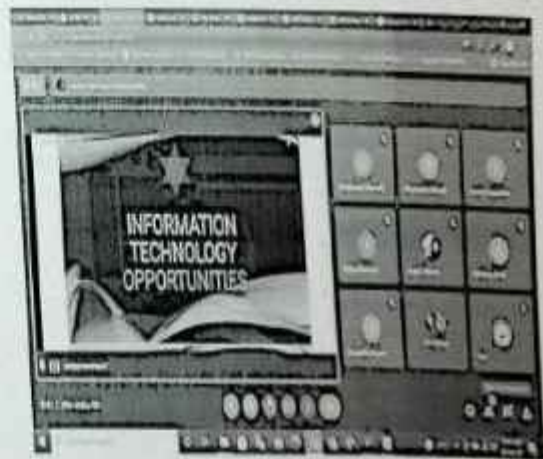

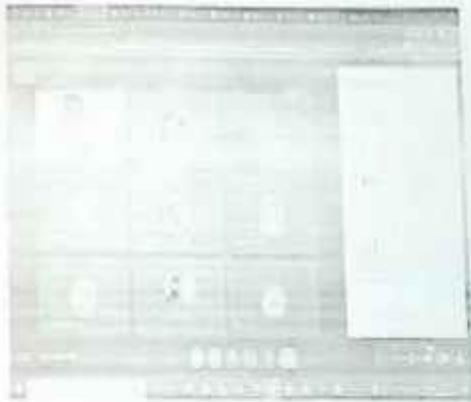

Thanks and Regards,

Hi-Tech Skills Ventures - Team

Hello Ma'am,

Hope you are doing well!

Thanks for the confirmation

We want to know which all departments are going to attain the seminar so as per their syllabus we can keep presentations and plans ready.

Apart from this, we will need a mic (if it is going to be in hall, Not recommended for classrooms).

Also we will need approx headcount of students who all are going to attain the seminar.

Thanks and Regards

FIRST YEAR ENGINEERING DEPARTMENT

Guest Lecture Topic: "Future Opportunities in Field Of Signature Analysis."

Guest Lecture Venue: MBA Auditorium Hall,
Siddhant Group Of Institutions, Sudumbare, Maval, Pune.

Guest Lecturer: Mr. Shrikant Paranjape (Senior Mentor Handwriting University, LOS)

Guest Lecture Organizer: First Year Engineering Department.

Objective: To help out students and make them aware of new possibilities available in the field of Signature Analysis.

Guest Lecture Description:

"True Lifes Lived When Tiny Changes Occur."

In order to be adaptive during these trying times, the Department of First year Engineering Siddhant College of engineering, Sudumbare, Pune organized a guest lecture on the topic, "Future Opportunities in Field Of Signature Analysis" for all the students of first year engineering. The lecturer was **Mr. Shrikant Paranjape**, senior mentor of handwriting university LOS.

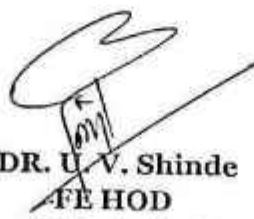

So rightly said, the power of change can not be underestimated....

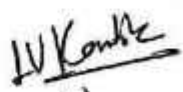

May it be tiny but they do make a difference, thus helping the students understand the importance of these changes in their career choice. It was a very informative lecture.

The objective of the lecture is to help the students and make them aware of signature analysis which comes under the study of **GRAPHOLOGY**. Having knowledge of Graphology helps to determine someone's personality traits. It helps an individual to know their strengths, weaknesses, innermost fears and your defense mechanism, and see himself in a new light.

After delivering lectures she encourages students to clear their doubts and clarify. It was also a great initiative taken by the first year engineering for conducting this wonderful session of knowledge sharing and gaining on Graphology.

Respected Madam,

Greetings from Learners Cortex-Magoosh!

At the outset, Learners Cortex is a proud partner of Magoosh test preparation based out of California, USA. Our pedagogy and teaching methods have been painstakingly crafted for international tests such as GRE, GMAT, SAT, ACT, IELTS, and TOEFL. More notably, we are currently partnered with over 10 premier institutions in India including but not limited to Vellore Institute of Technology, SRM Institute of Science and Technology, Manipal Institute of Technology, Amity University, SASTRA University, NIT-Trichy, BITS Pilani (Goa Campus), and Dayanand Sagar College of Engineering. In all modesty, owing to our excellence in rendering seamless learning services to students, we have achieved an illustrious growth over the past 8 years.

It would be a great privilege and honor to serve the needs of students at Siddhant College of Engineering as we firmly believe our services would help realize the academic and professional goals of the students. We are very much looking forward to forging a robust alliance with your esteemed institution. Attached along with this covering letter is a proposal that would certainly help you assess our professional education credentials.

In pursuant to this end, I humbly request your office to tender us with a probable seminar date titled **Graduate School Admissions Conclave by Learners Cortex-Magoosh**, whereof we envisage affording insights to students in the following areas:

- Worldwide university rankings
- University admissions criteria and academic prerequisites
- Emerging trends in choice of majors
- Profile-enhancement tips
- Application checklist of documents
- Availability of scholarships
- Career prospects further to the completion of a graduate degree.
- A snapshot of our piecemeal approach adopted in GRE/GMAT/IELTS/TOEFL preparation
- USPs of our training methodology

Welcome to the Learners Cortex-Magoosh experience!

Looking forward to hearing from you soon.

Thanking you in advance,

Thanks and regards,

Hi Ms Monica Mam,

I would like to thank you so much for confirming the seminar as well as for giving us the opportunity. I would like to request you to please consider our request to have the seminar on 27th May @ 11.00 Am. Due to some unavoidable circumstances in the schedules. Thank you so much for your kind consideration.

Thanks and Regards,

FIRST YEAR ENGINEERING DEPARTMENT

Guest Lecture Topic: "Future Opportunities in Field Of Signature Analysis."

Guest Lecture Venue: MBA Auditorium Hall,

Siddhant Group Of Institutions, Sudumbare, Maval, Pune.

Guest Lecturer: Mr. Shrikant Paranjape (Senior Mentor Handwriting University, LOS)

Guest Lecture Organizer: First Year Engineering Department.

Objective: To help out students and make them aware of new possibilities available in the field of Signature Analysis.

Guest Lecture Description:

"True Life is Lived When Tiny Changes Occur."

In order to be adaptive during these trying times, the Department of First year Engineering Siddhant College of engineering, Sudumbare, Pune organized a guest lecture on the topic, "Future Opportunities in Field Of Signature Analysis" for all the students of first year engineering. The lecturer was **Mr. Shrikant Paranjape** senior mentor of handwriting university LOS.

So rightly said, the power of change can not be underestimated....

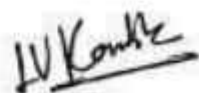

May it be tiny but they do make a difference, thus helping the students understand the importance of these changes in their career choice. It was a very informative lecture.

The objective of the lecture is to help the students and make them aware of signature analysis which comes under the study of **GRAPHOLOGY**. Having knowledge of Graphology helps to determine someone's personality traits. It helps an individual to know their strengths, weaknesses, innermost fears and your defense mechanism, and see himself in a new light.

After delivering lectures she encourages students to clear their doubts and clarify. It was also a great initiative taken by the first year engineering for conducting this wonderful session of knowledge sharing and gaining on Graphology.

Respected Sir/Ma'am,
Greetings for the day.

My name is Sayyed Mujmil, working as a Relationship Manager with Unacademy.

Unacademy is India's Largest Learning Platform for 60+ Exam categories and has 1 M+ video lessons. We conduct daily 1.5 K live classes with the help of 14K+ educators. For Engineering students we offer a variety of courses including GATE, ESE, PSU, MPSC, SSC, Bank Exams, etc.

We would like to conduct a session at your campus, called "Career Opportunities post Engineering Studies" giving complete knowledge about various options available to engineering students post their studies.

The session will include the following points.

1. What is GATE?
2. GATE exam pattern
3. Subject Wise weightage
4. Previous cut-offs
5. What are PSUs?
6. Benefits of joining a PSU
7. Difference between university exam and competitive exams
8. Tips and tricks to qualify the exam in the first attempt.
9. Higher Education Opportunities
10. Doubt solving session
11. and so on.

We will be in need of 1 hour from the college schedule, so that we can guide and motivate students towards such platforms.

Kindly let us know the date and time so that we can conduct the session as soon as possible.

Thanks and Regards,

Sayyed M S

Relationship Manager
