Date: 18<sup>th</sup> July, 2022

NOTICE

Subject: Add-on course on QUANTITATIVE APTITUDE in Civil Engineering department.

Dear Students,

As cited in above subject, you are hereby informed to attend Add-on course on QUANTITATIVE APTITUDE arranged by Civil Engineering department.

So, kindly attend the course from 29<sup>th</sup> July, 2022 onwards

Time: 02:30 pm

Venue: Civil Engineering department.

Report on "Add-on course on QUANTITATIVE APTITUDE"

Quantitative Aptitude is used to measure the numerical and problem-solving abilities of a student. This is a standard section that is found in most competitive exams.

The objective of imparting Quantitative Aptitude training was to make students able to critically evaluate various real-life situations by resorting to an analysis of key issues and factors.

This Aptitude Training helped them to enhance conceptual knowledge through regular practice by which they can crack any technical interview easily, thereby ensuring good career growth.

After completing this training course, students are able to :

1. Enhance the Aptitude Round Clearing ability in interview process
2. Solve the real-time problems for performing job functions easily
3. Over come the hurdles of competitive examinations like CAT, MAT, XAT, JMET, GMAT, State Govt. Exams etc.

Overall the session was very interactive.

Report on "Add-on course on AUTOCAD"

The Department of Civil Engineering at Siddhant College of Engineering, Sudumbare has successfully conducted an Add-on course on "AUTOCAD" for S.E Civil Engineering students.

Key note speaker Prof. Anita Rahane has started the session by giving an introduction & importance about drafting using AUTOCAD

The primary objective of this course was to teach the student the basic commands necessary for professional 2D drawing, design, and drafting using AutoCAD.

Upon completion of the course, the student have:

- Become familiar with the AutoCAD user interface.
- Understood the fundamental concepts and features of AutoCAD.
- Use the precision drafting tools in AutoCAD to develop accurate technical drawings.
- Present drawings in a detailed and visually impressive manner.

Overall the session was very interactive.

Report on "DevOps Technology"

The Department of Computer Engineering at Siddhant College of Engineering, Sudumbare has successfully conducted an Add-on course on "DevOps Technology" for B.E computer engineering students.

Key note speaker Prof. Archana Chalwa has started the session by giving an introduction & importance of DevOps in Modern Software Development.

The future of DevOps is very promising, and many more companies are set to accept this methodology. DevOps methodologies are themselves changing with new tools and technologies coming in.

Upon completion of the course, the student has gained:

- Evolution of DevOps and its significance in modern software development.
- Core principles of DevOps practices.
- Fundamentals of server configuration and management.
- Setting up and managing virtual environments for DevOps practices.

Overall the session was very interactive.

**Report on "Add-on course on SAP Technology"**

The Department of Computer Engineering at Siddhant College of Engineering, Sudumbare has successfully conducted an Add-on course on "SAP Technology" for B.E. computer engineering students.

Key note speaker Prof. Archana Chalwa has started the session by giving an introduction & importance about drafting using SAP Technology.

SAP technology has played a pivotal role in transforming the way businesses manage their operations. With a comprehensive suite of solutions and a focus on innovation, SAP continues to be a major player in the ERP and enterprise software market.

Upon completion of the course, the student has:

- CRM and Customer Experience.
- HR and People Engagement.
- Network and Spend Management.
- Business Technology Platform (data and analytics)

Overall the session was very interactive.

Report on "Add-on course on SOLARPANEL"

The Department of E&TC Engineering at Siddhant College of Engineering, Sudumbare has successfully conducted an Add-on course on "SOLARPANEL" for S.E E&TC Engineering students.

Key note speaker Prof. Shubhangi Shelke has started the session by giving an introduction & importance about SOLAR PANEL. The objective of this Add-on course is to impart fundamental knowledge on solar energy and its potential in India. The resource person started the session by interacting with the students about the maximum power generation and demand in India. She delivered lecture on "status of solar energy production & its need". She explained the potential of solar energy in India, how much potential available and the research areas that can be developed under solar power system in India. She also delivered the project ideas in solar system that can be developed by the students and the possibilities of getting funds for these projects. She also shown some of the photographs of solar power plants in India and around world, solar energy project based videos and the current statistical datas regarding the solar power production and its usage.

Report on "Add-on course on" "DIGITAL MARKETING"

The Department of I.T at Siddhant College of Engineering, Sudumbare has successfully conducted an Add-on course on "DIGITAL MARKETING " for S.E I.T Engineering students.

Key note speaker Prof. Rashmi Kulkarni has started the session by giving an introduction & importance about drafting using DIGITAL MARKETING

The primary objective of this course was to teach the student the basic commands necessary for Simplification, Ratio and Proportion, Time, Speed and Distance Problems in DIGITAL MARKETING

Upon completion of the course, the student have:

- Become familiar with the DIGITAL MARKETING user interface.
- Understood the fundamental concepts and features of DIGITAL MARKETING
- Use the different tools in DIGITAL MARKETING to develop the Skills.
- Discussed the different topics of in DIGITAL MARKETING.

Overall the session was very interactive.

**Report on "Online Workshop on AUTOCAD"**

The Department of Mechanical Engineering at Siddhant College of Engineering, Sudumbare has successfully conducted online workshop on "AUTOCAD" dated 6<sup>th</sup> March to 6 March, 2023 to 24 March, 2023 for all Mechanical Engineering students.

Key note speaker Prof. R.R.Kulkarni has started the session by giving an introduction & importance about drafting using AUTOCAD.

The primary objective of this course was to teach the student the basic commands necessary for professional 2D drawing, design, and drafting using AutoCAD. More than 30 students from our mechanical Department were attending the workshop.

Upon completion of the course, the student will:

- Become familiar with the AutoCAD user interface.
- Understand the fundamental concepts and features of AutoCAD.
- Use the precision drafting tools in AutoCAD to develop accurate technical drawings.
- Present drawings in a detailed and visually impressive manner.

Overall the session was very interactive.
