	xix.	Games and Sports Facilities
		The institute has well maintained sports ground, which promotes excellent sports culture for overall development of the students. The institute supports students committee in organizing intercollegiate annual technical event and annual cultural gathering “Technotsav”, “Spandan”. Mega sports event is the hall mark of Siddhant COE where many indoor as well outdoor sports competitions are held. Social and environmental issues are addressed through NSS activities.
	xx.	Teaching Learning Process
		<p>The Siddhant COE is affiliated to Savitribai Phule Pune University (SPPU) Pune. The curriculum is designed by the SPPU. The institute offers five Undergraduate (UG) and four Postgraduate (PG) programs. Credit System has been fully implemented in UG as well as PG programs from 2019. Academic calendar for each semester is provided by SPPU, Pune. Academic Co-ordinator prepares the academic calendar of the institute in consultation with the principal. As per the academic calendar of the institute, each department prepares its own academic calendar. At the end of each semester, faculty members are asked to submit choice of subjects to be undertaken in the forthcoming semester. Time table for individual faculties, classes and laboratories are prepared by departmental time table coordinator which is duly approved by HOD and Principal. The faculty members are allotted the subjects based on preferences given by individual faculties. As far as possible, expert faculty members are assigned relevant subjects for teaching as per their area of specialization. Faculty members prepare a comprehensive course file including teaching plan, individual time table, academic calendar, past university question papers, assignments, term test question papers, unit wise notes and Power Point Presentations (PPTs). Lab in-charges prepare respective lab manuals for smooth conduction of practical sessions prescribed by SPPU, Pune. The feedback of teaching faculty from students is taken through via Google forms. This feedback is analyzed and is conveyed to the respective subject teacher for the improvements or appreciation. Lectures of faculty members are periodically monitored by academic coordinator along with the Principal. The Principal and Head of departments (HODs) also take oral feedback from the students. Faculty members with average feedback are encouraged to improve their teaching through counseling. In order to complete theory syllabus within the prescribed time limits, monitoring of progress of syllabus coverage is undertaken at the middle and at the end of each semester. The internal performance of the students is assessed with conduction of Unit Test at usually before the In semester examination and Preliminary test before the Term conclusion. The marks are conveyed to the students and remedial sessions are organized for the slow learner after the conclusion of the term. Evaluation scheme specifies marks allotted for theory, practical, oral and term-work. SPPU conducts In semester and End-semester examinations are conducted for 30 and 70 marks respectively. Performance of students in practical and oral examination is evaluated by external examiners appointed by SPPU. Term work evaluation is based on continuous assessment.</p>
	xxi.	For each Post Graduate Courses give the following:
